

HONORING THE LEGACY

ADA S. MCKINLEY
COMMUNITY SERVICES, INC.

2020 ANNUAL REPORT

Our agency was founded as a small Settlement House to assist Black World War I veterans and families migrating from the South amid the Chicago Race Riot of 1919, the Spanish Flu pandemic, and without the luxury of the Internet and other modern resources.

Over a century later, we are at the forefront of addressing the multi-layered challenges of a worldwide pandemic, and the social injustices that make our existence necessary. We are proud to meet the challenge of providing essential human services in communities where our presence is most needed, and welcome the opportunity to build on a legacy rooted in protecting the well-being of the people we serve.
